The Insight is a BM&DC recognized international journal published by Gopalganj Medical College, Gopalganj, Bangladesh and accepts articles for publication from home and abroad. This is a quarterly journal and aims to publish work of the highest quality from all branches of medical science. The aim of the publication is to promote research in Bangladesh and serves as a media for dissemination of scientific information and recent knowledge among the readers.

The Insight commits to high ethical and scientific standards. Submitted manuscripts are considered with the understanding that they have not been published previously in print or electronic format (except in abstract or poster form) and are not under consideration by another publication or electronic medium. Statements and opinions expressed in the articles published in the journal are those of the authors and not necessarily of the editor. Neither the editor nor the publisher guarantees, warrants, or endorses any product or service advertised in the journal.
